4-D Micro Product Creation Framework

November 11, 2026
A four-part, 48-hour planning framework for moving a small digital product idea toward a finished offer.

What this guide covers

- Select and outline a focused product idea.
- Plan its structure and presentation within a short creation window.
- Prepare launch and follow-up steps for the finished product.

Who this is for

For creators and small-business owners exploring compact digital products.

Putting the ideas to use

Treat the schedule as a planning aid, adjusting scope and timing to your available resources.
