4-Phase Workshop Design Framework

November 11, 2026
A framework for designing workshops that help participants engage and apply what they learn.

What this guide covers

- Plan the phases of a workshop.
- Design activities that support participation.
- Anticipate challenges when learners apply ideas.

Who this is for

For facilitators, trainers, and workshop creators.

Putting the ideas to use

Use the phases to outline a workshop and its practical exercises.

Book details

Format: Guide. Pages: 36. Words: 4083.
