Franchise Readiness Audit Workbook

November 11, 2026
A self-assessment workbook for reviewing business systems and identifying areas to strengthen before considering franchising.

What this guide covers

- Assess operational, staffing, customer, and management practices.
- Record evidence and gaps across a structured readiness review.
- Prioritize development areas and outline follow-up actions.

Who this is for

For business owners exploring whether their operations are repeatable enough to investigate franchising.

Putting the ideas to use

Complete the assessment with current evidence and use the results to plan further professional advice where needed.
