Hire Right, Keep Them Longer

November 10, 2026
A guide to building a more deliberate hiring process, from role definition to onboarding.

This ebook organizes the subject into practical themes you can compare with your goals, resources, and current approach. It is an educational reference; the ideas are not a promise of a particular business or personal result.

Topics covered

- Defining employer strengths and role expectations.
- Writing job descriptions and choosing sourcing channels.
- Structuring interviews and candidate assessments.
- Planning onboarding and employee retention practices.

Who this ebook is for

This book may be useful for business owners, founders, and independent professionals who want a structured introduction to this subject and related decisions.

Putting the ideas in context

As you read, identify a question from your own situation. Compare the approaches in the book with your constraints, then decide what information or small next step would help you evaluate them.
