How to Scale with YouTube Ads

November 10, 2026
An introduction to planning and assessing YouTube advertising campaigns.

This ebook organizes the subject into practical themes you can compare with your goals, resources, and current approach. It is an educational reference; the ideas are not a promise of a particular business or personal result.

Topics covered

- Setting campaign goals and choosing ad formats.
- Planning video stories and audience targeting.
- Tracking results and testing campaign adjustments.
- Considering platform changes when updating a campaign.

Who this ebook is for

This book may be useful for marketers and communications teams who want a structured introduction to this subject and related decisions.

Putting the ideas in context

As you read, identify a question from your own situation. Compare the approaches in the book with your constraints, then decide what information or small next step would help you evaluate them.
