# Keyword Validation Blueprint

November 11, 2026
A validation workflow for assessing keyword ideas against search intent, competition, and business relevance.

## What this guide covers

- Gather evidence about a keyword and the results currently competing for it.
- Score opportunities using a consistent set of considerations.
- Prioritize topics for research and content planning.

## Who this is for

For content marketers and site owners making decisions about search-focused topics.

## Putting the ideas to use

Use the blueprint to compare a small set of terms and verify current search data before committing resources.

## Book details

Format: Guide. Pages: 28. Words: 2774.

**Download availability:** After payment, download the complete ZIP package or the included PDF separately.
