Sales Bot Conversation Blueprint

November 11, 2026

A conversation blueprint for structuring sales-bot interactions around useful information, clear questions, and next steps.

What this guide covers

- Plan an opening that helps visitors understand the conversation.
- Sequence questions and information around the visitor’s needs.
- Set clear paths for follow-up or a human handoff.

Who this is for

For businesses planning or improving automated sales conversations.

Putting the ideas to use

Map a bot conversation for one common visitor need and check that choices and handoffs are clear.
