Setting Up a GDPR Compliant Cookie Consent System

November 11, 2026
An introductory guide to planning a website cookie consent process.

What this guide covers

- Review cookie categories and audit steps.
- Consider consent interface, technical controls, and records.
- Plan ongoing review of preferences and documentation.

Who this is for

For website owners learning about cookie consent management.

Putting the ideas to use

Use the guide as a planning aid, and obtain current professional advice for your jurisdiction; it does not establish legal compliance.

Book details

Format: Guide. Pages: 15. Words: 802.
