Smart Homebuyer’s Playbook

November 11, 2026
A homebuyer guide to financial preparation, property evaluation, offer strategy, and the steps around a purchase.

What this guide covers

- Prepare a budget and set boundaries before beginning a home search.
- Assess properties and compare market information before making an offer.
- Consider negotiation, closing, and ongoing homeownership decisions.

Who this is for

For prospective homebuyers who want a structured way to prepare for and navigate the buying process.

Putting the ideas to use

Use the checklists and questions to organize conversations with qualified real estate and lending professionals.
