Turn Your Expertise Into $5K Workshop Days

November 10, 2026
A guide to designing and delivering a focused workshop based on professional expertise.

This ebook organizes the subject into practical themes you can compare with your goals, resources, and current approach. It is an educational reference; the ideas are not a promise of a particular business or personal result.

Topics covered

- Packaging knowledge into a defined session.
- Choosing a topic tied to a specific audience need.
- Planning the session flow and facilitator script.
- Considering pricing and ways to find clients.

Who this ebook is for

This book may be useful for business owners, founders, and independent professionals who want a structured introduction to this subject and related decisions.

Putting the ideas in context

As you read, identify a question from your own situation. Compare the approaches in the book with your constraints, then decide what information or small next step would help you evaluate them.
